

3 Energetic Principles

Masculine, Feminine, and Neutral energies exist in everything. These forces are interrelated and interdependent, creating the harmonious nature of the Mind, Body, Soul principles that exist in all of life.

1

Masculine (Sound)

The active, electric force that gives action and clarity to purpose. Mathematical and calculable expression of creative energy.

2

Feminine (Light)

Accepting, fluid, sensual, playful, and attuned. The immeasurable, nurturing expression of creative energy.

3

Neutral (Aether)

The supportive container of perception which upholds and honors the present moment.
